Beaumaris 3193

Dear Richard

With great appreciation I'd like to thank Beaumaris Rotary and the greater Rotary District for their wonderful support and grant donation of $7,505.79 that we received in 2022.

This donation enabled us to purchase some necessary items for Matt's Place community meals program and provided 200 Christmas hampers to families and individuals doing it tough at Christmas last year. The smiles on people's faces as they received the hampers was indescribable.

Bayside Community Care values the partnership with Beaumaris Rotary not only from a monetary standpoint, but also for the large number of team members that prepare hampers and gifts for Angel Tree. The team effort by individuals and organisations such as yours is what makes our community strong.

We appreciate your collaboration and look forward to continuing to work with you in 2023.

Warmest regards

Sandra Cavallo
*General Manager*
