Dear Chris,

Thank you for the generous donation from the Rotary Club of Beaumaris to support patient care at Sandringham Hospital.

The donation will go towards vital ophthalmology (eye) assessment equipment to enable ophthalmology outpatient clinics at Sandringham Hospital for the first time. This equipment will support patients in need of cataract surgery to receive pre and post surgery care at Sandringham Hospital.

Please pass on our thanks and gratitude to the club's committee and members for their hard work to make the both the Bayside Charity Golf Day and Pro-Am a success.

Thank you again for supporting patient care at Sandringham Hospital.

Warm regards,

Sharon Hade
Director of Nursing and Operations
