

ROTARY CLUB OF BEAUMARIS WEEKLY BULLETIN

Edition 14 5 February 2024

Presidents Message

It was fabulous to see 40 members and guests at the first meeting for the year on Thursday. We had presentations from four of our Board members, each describing their plans for the second part of this Rotary Year.

Treasurer James Glenwright summarised the efforts of fundraisers Heather and Chris D'Arcy, Megan Glenwright and Tim Parsons who raised \$18,500 between July-December 2023. The monies raised went some way toward offsetting the loss of income from the Farmers Market that closed unexpectedly last April.

Community Director Chris Mara talked about the plans for the Community Markets in the coming months and support for Impact by packing *Bags of Love* ready for Mothers' Day. Director of International Richard Potter outlined the disbursements to the Sabu community in Indonesia and the plans to upgrade the kitchen area in the student accommodation. PP Chris D'Arcy gave an update on the District 9810 conference March 22-24 in Warrnambool. He also showed the updates on the website, in particular the "thermometer" of monies allocated to service projects and community causes, and volunteer hours given so far this year.

President Denise gave an update on the Regionalisation plan for Zone 8 and encouraged members to check out the information at <https://creatingtomorrowrotary.org>.

Currently the Regional Council is calling for applications to be a Rotary Specialist (offering your skills to others in the Zone who may need help in your specialist area), and Portfolio Committee Members to assist Rotary in planning Zone-wide projects. See:

The Highlands Foundation (THF) is asking for knitters to get underway to provide 200 baby blankets that are needed for packing gift parcels for mothers in the Highlands. The next container is due to be sent in June, and blankets are need for each parcel. If you would like information about the knitting project, please let Denise know (0402 579 819).

Future Events Calendar

Our speakers this week are Anne Marie Reddan and Emmanuel talking about Yimba Uganda, a project that equips young people in Uganda with skills to generate income to lift themselves and their family out of poverty. This was a project supported by the RC of Cheltenham, and we are pleased to carry on the support.

New Black Rock Farmers Market

New Black Rock Farmers Market.

Next Market Saturday 10 February

Our new market, retaining the Black Rock Farmers Market brand, is held on the second Saturday of the month, starting 9 December, from 8am - 12.30pm in the Royal Avenue reserve, Sandringham - next to the Bayside council buildings. You'll find 40+ stallholders selling fresh seasonal Victorian produce. Come down and enjoy the community vibe.

This will be the first market with a new organisation, Community Farmers Markets <https://www.communityfarmersmarkets.com.au/> They will be organising and managing the produce focused stallholders. Community Farmers Markets (CFM) came from an idea to establish an umbrella organisation for independent market organisers and operators as a way to develop supportive relationships, share knowledge and provide information.

We will be adding a dedicated Farmers Market page to our website next week and CFM have added a Black Rock Farmers Page to their website <https://www.communityfarmersmarkets.com.au/black-rock-farmers-market> which will build as we get more material. We have also purchased all new signage for the surrounding streets and the market itself.
