

ROTARY CLUB OF BEAUMARIS WEEKLY BULLETIN

Edition 20 29 April 2024

Presidents Message

Our club managed to be in three places last weekend, April 19-21. We were in Altona, Warracknabeal and on-line with Bangalore, India. A group of four helped pack gift bundles for mothers and babies at the Altona site of The Highlands Foundation. The container is half full, and they hope to send it in September. There is another Packing Day scheduled for Saturday June 22nd. (photo page 4)

Eighteen of us made a return trip to RC Warracknabeal to celebrate their Rotary 90th year. We visited Peter Martin's Farm for an update on harvesting and their Sheep Project (photo page 4). We donated \$520 toward three breeding ewes (see Certificate p 6). We also visited Glenwillan, a Federation homestead built in 1912. In the evening we enjoyed the Paddock to Plate dinner that included various local produce, from beef and lamb through to vegetables, herbs and local wines (see photo of menu). It was a real feat to dish up 132 plates of food and deliver to about 13 tables in a shearing shed. We were treated to a string trio, who played quietly during dinner, including a medley of Aussie folk songs, and reflective Irish tunes. The shearing demonstration featured a current champion who can shear 350 sheep in one day, and 12-year old Charlie, who sets a cracking pace shearing 132 sheep in one day. With shearer number on the decline his future is secure.

On the same weekend our sister club, RC Bangalore hosted an International Brunch on April 20th, and we were represented by Ray Subramanian (see his report p. xx) and Max Manks, who spoke about the Sabu Project in Indonesia. Clubs from throughout the world joined online at different stages of the day – a wonderful initiative of RC Bangalore to connect Rotarians across the world.

As we draw closer to the merger with 9820, incoming DG Colin Byron has invited all Rotarians to attend sessions in the "Avenue of Service" series (previously District Assembly). The email with live links is reproduced on page 7.

Finally, at the President's Meeting Friday April 26th we were reminded that donations to The Rotary Foundation and Centurian Fund should be made before June 15th.

Summary of Rotary Club Meeting - Bond over Brunch (April 20, 2024)

This meeting virtually connected the Rotary Club of Beaumaris (represented by John Manks and yourself) with the Rotary Club of Bangalore (RCB), with President Nalini Nanjundayya and other board members in attendance.

Introductions and Club Sharing:

- The meeting began with the National Anthem recited by students from the RCB Secondary School.
- John Manks presented the history and structure of the Beaumaris Rotary Club.
- A video showcasing the Beaumaris Rotary Club's international project, the Sabu Project, was well-received by the RCB attendees. Information about the Yimba Uganda project was also shared.
- The RCB presented some of their ongoing projects, with a highlight being their "Art for Education" initiative, where artists' work is sold to raise funds for underprivileged children's education. John Manks expressed interest in potentially replicating this project at the Beaumaris Club.

Collaboration and Future Projects:

- Both clubs expressed optimism about future collaboration.
- The RCB invited the Beaumaris Rotary Club to participate in their upcoming project providing renewable energy for a school on the border of Myanmar and Thailand.

Meeting Conclusion:

- The meeting concluded at 11:15 AM AEST with a sense of camaraderie and fellowship.

Raj

Here is a picture of the three sheep, Denise, Di and Dolly (along with 217 of their close friends) donated to the Rotary Club of Warracknabeal by Beaumaris Rotary on the occasion of Warracknabeal's 90th anniversary.

District 9815 Avenues of Service

This email is forward on behalf of DGE Colin Byron and is intended for all D9810Rotarians.

Dear Rotarians and Rotaractors,

You're invited to participate in the District 9815 Avenues of Service event (District Assembly to D9810), where Rotary members come together to explore fresh perspectives and connect with fellow Rotarians. This event is particularly beneficial for new members eager to delve into the rich tapestry of our organisation.

Given the vast distance our District now covers. District Assembly (Avenues of Service) will be conducted online again this year, offering the convenience of participation from wherever you are. Each session will be concise, lasting only 45 minutes, yet packed with valuable insights into community projects that can truly make a difference.

The event is scheduled to take place from Monday, May 13th to Friday, May 17th, 2024. **We encourage club chairs to attend sessions relevant to their portfolios**, although all members are warmly welcome to join each session.

To secure your spot, please register using the links provided below for each session. Rest assured; recordings of all sessions will be accessible on the District 9815 YouTube channel for those unable to attend live.
